GRANT COUNTY JOB DESCRIPTION

TITLE: Staff/Charge Nurse (RN)

DEPARTMENT/ AGENCY: Orchard Manor

IMMEDIATE SUPERVISOR: Nurse Manager

PAY RANGE: E

FLSA: Not Exempt

NATURE OF WORK

Summary of Duties: Under the leadership of the Nurse Manager, the Staff/Charge Nurse participates in planning, implementing, and supervising total resident care on assigned units. Exercises professional judgment and performs in accordance with Orchard Manor Administrative and Nursing Department policies and procedures and established professional nursing standards. Supervises and evaluates subordinate staff in the exercise of their duties. Functions as the Employee Health Nurse in emergency situations.

MINIMUM QUALIFICATIONS

Education:

1. Graduate from any approved school of professional nursing.
2. Current licensure in Wisconsin or eligible to write the Wisconsin State Board exam.
3. Record of continuing participation in program for personal and professional growth.

Experience:

1. May be a beginning experience.
2. Previous experience as a professional nurse and academic degree will be considered at time of employment.

Knowledge, Skills and Abilities:

1. Ability to organize and effectively direct nursing personnel.
2. Social and communication skills essential to establish leadership and obtain cooperation; intradepartmental coordination requires good grasp of total operation.

ESSENTIAL FUNCTIONS

1. Performs assessment of residents; identifies needs; formulates nursing care plan based on the assessment and physician's treatment plan; implements and directs care in conjunction with other nursing personnel; evaluates resident's responses to care and treatment and revises care plan accordingly.
2. Attends Total Plan of Care (TPOC) or Individual Program Plan (IPP) conferences when assigned. Collaborates with other professional departments in the formulation of the Total Plan of Care (TPOC) or Individual Program Plan (IPP).
3. Keeps accurate documentation of care, resident response, and change in condition; reports significant changes to the Nurse Manager and physician.
4. Is responsible for knowing the physical plan of the institution, such as, the location of therapeutic, diagnostic and emergency equipment. Knows emergency, fire, and disaster procedures.
5. Performs admission and discharge procedures as dictated in policy and state code. Makes appropriate documentation in medical record and identifies resident problems in care plan.
6. Maintains the confidentiality of all resident information.
7. Provides continuity of care to the resident by following care plan and programs and techniques established in other therapy departments.
8. Prepares, administers, and documents medications and treatments; documents therapeutic and adverse reactions to medications/treatments.
9. Assumes responsibility for own professional growth and development through self-study and attendance at appropriate educational programs within and outside the institution. Helps with

inservice programs.

10. Will maintain current knowledge of professional nursing practice and emergency technique.
11. Promotes and maintains a safe environment conducive to the physical, spiritual, and emotional well-being of the resident.
12. Orients and instructs new residents and relatives on routine health care procedures and on services available in the nursing home.
13. Gives resident care instructions; interprets and demonstrates care procedures and treatments to other nursing personnel assigned.
14. Informs the Nurse Manager of any problems or needs of the unit's physical environment, supplies, and/or equipment.
15. Observes and enforces the observance of the policies, procedures, and regulations of the Nursing Department. Participates in Nursing Department Committee Assignments.
16. Keeps work area neat and orderly.
17. Assists in the training and inservicing of nursing personnel as requested by and under the direction of the Director of Nursing.
18. Participates in staff development programs sponsored by Orchard Manor and the inservice programs of Nursing Service.
19. Teaches and performs ADL activities as needed: bathing, dressing, toileting, etc.
20. Evaluates assigned nursing personnel within one month of scheduled evaluation time. Treats all employees fairly. States goals clearly for next evaluation.
21. Performs related duties as assigned or observed as necessary.

SUPERVISION RECEIVED

Under the direction of the Nurse Manager

SUPERVISION EXERCISED

Supervises nursing assistants, LPN's, and other subordinate staff

ENVIRONMENTAL FACTORS

WORK SETTING AND ENVIRONMENT: Indoors, climate controlled setting. May work in humid conditions when needed.

EQUIPMENT USED: Electronic thermometer; med cart; hoier lifts, Sara lifts; wheelchairs, geri-chairs; oxygen containers; along with other equipment pertinent to the completion of job duties.

Strength:

1. Able to frequently transfer, lift, turn or assist a resident to or from bed, wheelchair, hoier lift, toilets, tubs, and showers. This requires the ability to push, pull, and lift from approximately 25-75 pounds unassisted.
2. Push/pull residents weighing up to 400 pounds in wheelchairs and geri-chairs, with assistance of either staff or assistance devices as determined by nurse and or protocol. Reposition residents weighing up to 400 pounds, with assistance, in chairs and in bed to assist with treatments, hygiene, and comfort needs.

Mobility:

1. Stand or walk up to 80% of up to a 12 hour day to provide resident assessment, care and assistance.
2. Able to stoop, bend, twist, and squat to reach lower drawer of med carts, reach resident items, and adjust bed mechanisms.
3. Occasionally reach overhead to obtain supplies and medications.
4. Able to deal with combative residents safely.
